

MDS SUMMER MATH

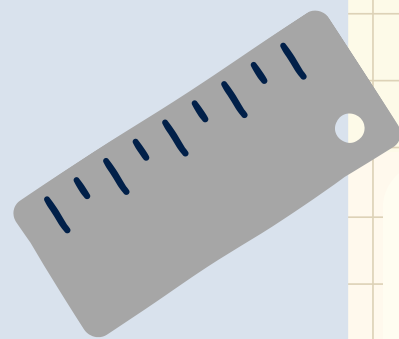

Math Summer Review will be completed through Khan Academy for all math courses at MDS. Students will work through the assignments, watching videos and completing math problems.

- These topics will allow students to review concepts from previous math courses that they will heavily rely on in their next math class.
- Summer work should be completed by August 12, 2025.
- On the first day of school, August 13, 2025, students will complete a math summer work assessment for a test grade. This assessment will gauge how prepared they are for the course, based off of the topics covered during the summer work.

On the next page, you will find instructions for how to get started on Khan Academy.

Returning students must use their MDS gmail to sign in instead of creating a new account. New students may use a personal email account.

LOGGING IN

Each math course in Khan Academy has a separate code, listed below. Students should enroll in the appropriate Khan Academy course for the class for which they have registered for the 2025–2026 school year.

- Algebra I: **CCBQ7VW4**
- Geometry: **7YZCG7YJ**
- Geometry Honors: **XWWVX9FG**
- Algebra II: **NX75JPQX**
- Algebra II Honors: **3R2FD9CK**
- Advanced Algebra: **B64ZP5D2**
- Precalculus Honors: **2ASPEMHY**
- AP Calculus AB: **VXFUXBA8**
- AP Calculus BC: **WV53TKJR**
- AP Statistics: **MBG2YAWN**
- College Algebra/College Statistics: **MWY6DYKT**
