

An exemplary education is more affordable than you might think! Three new scholarships are available to new rising sixth through ninth graders applying for admission to Mount de Sales for the 2020-21 school year. Each scholarship highlights what is unique about the school's mission:

- The **Innovate Scholarship** is open to students with a keen interest in science, technology, engineering, or mathematics (STEM).
- The **Serve Scholarship** is reserved for students who have a parent serving in the military or as a first responder.
- The **Discover Scholarship** is for students with a parent who is a full-time Navicent Health employee.

Special Scholar Days give prospective students and their families an opportunity to experience the de Sales difference through fun and educational activities. Students will also take the admissions entrance exam and engage in scholarship-specific challenges. Only students who attend our Scholar Days are eligible for consideration for these scholarships. Additional scholarships and financial aid are available for qualified students.

See why "It's Great to be a Cavalier" and register for a Scholar Day:

- **February 3:** Innovate STEM Scholar Day
- **February 24:** Serve Scholar Day
- **February 25:** Discover Scholar Day

Scholar Days are from 8:00AM – 3:15PM and begin at Cuddy Hall. The Discover Day on February 25 will also include a parent drop-in lunch and campus tour from 11:00AM – 2:00PM.
