Date

Exploratory Class Descriptions:

Art- Students will explore key elements of art using a wide variety of media and materials

Chorus- In addition to vocal training, students learn musicality and reading music. Performances happen throughout the semester.

STEM Challenge- A class that celebrates design and creativity through project-based learning. (Rockets, bridges, marble mazes and more)

Drama- A playful, lively class that explores all aspects of theater. This is not a performance class, just pure fun.

Band (Semester 1) students learn to read music and choose an instrument to learn. Performance at the end of semester. (*there may be a cost of instrument rental*)

Band (S2)- We know you loved playing your instrument so much you want to keep on going this semester!

Physical Education- healthy mind, healthy body. Students change into PE uniforms and move!
